Folks: Given all the activity in Colorado and Montana Office recent press inquiries, I had Joe write up this hot topic so you are more aware of the current work going on here in Montana. I am not planning to broadcast the information widely but in case we get a specific inquiry I wanted us to be prepared for a response. Please let me know if you have any questions.

Subject: DRAFT Bullion Mine Hot Topic

Hi, Julie:

As you requested, I prepared the attached draft Hot Topic for the Bullion Mine Removal Action to draw down the mine pool and open the draining adit. Please let me know if you have any questions or if you require additional information.

Thank you,

Joe
